

Partner Program Commission Overview

The Partner program offers your company a new way to generate a residual income and offer the full line of WebCanDo development and internet services. We have enclosed an overview of an authorized Partner commission example and the amount of revenue that your business can make using this simple program.

Premium Printing

Premium Printing is a commercial printing company that offers a full line of printed products. They offer business cards, letterhead, brochures, and copies with one single store location. They have selected the WebCanDo Partner program due to several inquiries that they have received over the past several years. The Partner program offers no quota, investment or technical knowledge. They refer on average one lead monthly, with the average opportunity between \$ 1000 – 1500 per web site. The program offers Premium three different opportunities to generate revenue. The One-Time revenue is for contracted web development services. The Monthly revenue continues for the life of the customer as long as they continue to use WebCanDo hosting services. The Recurring revenue is also for the life of the customer for changes and upgrades to your referral sites.

1. One Time Revenue - Web Site Development, and Consulting
2. Monthly Revenue - Web Site Hosting, and Yearly Domain Renewals
3. Recurring Revenue – Web Site Maintenance and Overhauls
